"Discerning" Chapel Award

Solomon could have asked God for anything. He asked for wisdom and God gave him not only wisdom, but other gifts as well. This month the elementary students focused on wisdom and discernment. We learned much about Solomon and his life and we talked about applying those lessons Solomon learned to our own lives.

*"Do not be conformed to this world,
but be transformed by the renewal of
your mind, that by testing you may discern
what is the will of God,
who is good and acceptable and perfect."
- Romans 12:2*

Country Fair & Silent Auction!

It's time once again for the Country Fair and Silent Auction! Please join us in preparing for TAP's largest fund-raising event! Our event is on March 19th and this year we are excited to host an old fashioned Country Fair!

We need your continued help in soliciting donations for our baskets in the Silent Auction. Our success in this event is crucial for our school and the auction items we receive are the foundation of our fund raising efforts for the year.

Currently the auction committee is working to create gift baskets with donated merchandise and gift certificates. We have listed below some **suggested** donations we'd love to have. Some of these items you may have at home and never use, others you may be able to purchase and donate to TAP for the purpose of this event. ANY donation will be greatly appreciated and turned into profit for TAP to continue in partnering with CSCA.

SPONSORS NEEDED! If you own a business, please help sponsor our event! Contact Lynn Chase for Sponsorship levels and benefits! (954) 551-5814 or vchase2@comcast.net TODAY!
