## Kindergarten Field Trip to...

Dinosaurs, Fossils, and Butterflies..oh my! Kindergarten visited the Creation Studies Institute on April 11<sup>th</sup>. What a wonderful day filled with amazing facts about God's creation. We simulated the digestion process of a dinosaur in a Ziploc bag, learned that an herbivore dinosaur had 4 toes and a carnivore had 3. We even searched for shark teeth like real paleontologists! Finally, we released Monarch butterflies! What a blessing it was to learn together and be reminded that all of creation is the work of His fingers!

*"Lord, our Lord, how majestic is your name in all the earth!" Psalm 8:9*

# The Missing Light

Once upon a time there was a light that was very bright. But one night the light got out and some one would lie about the light going out because some one had stolen it. That same night I went to get some pie. I turned on the light, but the light would not come on. I realised some one had stolen the light, and then I reached high up on the ceiling to make sure the light was there, but it wasn't. Who could have taken it? I ran to the Judge's office with all my might, and told the Judge everything. He said, "silence!" And I was quiet. I described the light. We looked above every room. And in the last room... I was right, we found the light! The Judge and I shared a tight laugh!

The end.

**CSCA Varsity Lacrosse**

The CSCA Varsity lacrosse team and parents wish to thank coaches, Jason Scarberry and Mike Kopek for their tireless commitment and dedication to the team. Only 3 players had any experience playing the game of lacrosse before last season and 11 players had never held a lacrosse stick before this season. The coaches worked very hard teaching the basics of the game and the players worked just as hard trying to learn all the rules and skills in a very short amount of time. Most importantly, the brotherly-bond between the players and coaches made for a lot of great memories that will last a lifetime. Thank you to our coaches for instilling, patience, perseverance, good sportsmanship and discipline in each and every player and for balancing all of that with a lot of laughs, fun and excitement for the game of lacrosse!
