If you have friends who are interested in learning more about CSCA, please invite them to this event, or contact Tammy Hoffman at thoffman@cscs.us who will be happy to send them an invitation.

2013-2014 Early Reenrollment is well underway!

Remember that the early fees are good only through Thanksgiving break. Reenroll through Online Enrollment on RenWeb's ParentWeb.

It is a quick and easy process that you can do from anywhere.

Reminder: If you are on a monthly payment plan, you haven't been charged tuition in November to make it easier for you to pay your reenrollment fees.

Early Reenrollment ensures that your child has a place in the exciting programs for next year and helps CSCA plan for the coming year!

Middle School Football

It's hard to believe football season has ended. Even after the long hours and hard work, it seems to have come and gone in the blink of an eye. I guess that's what happens when you enjoy what you do. For the Crusaders' Middle School team, one word sums up the entire season, JOY. The athletes found joy practicing every day. We found joy as a team on game days. Coach Holmes and I found joy seeing the progress each and every athlete was making throughout the year. However, the greatest joy of the year was felt after a dominating 24-0 victory in the last game of the season over Zion Lutheran. It was a fitting end to a season of hard work and tremendous growth. I will continue to pray for these student athletes in both their spiritual and athletic journeys. I pray that each and every one of them finds the indescribable joy that comes from having a personal relationship with Jesus Christ.

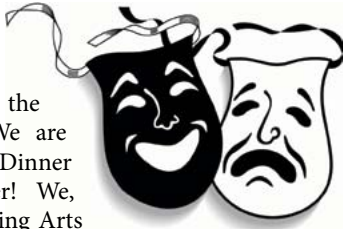

In Christ,
Coach Chandler

VETERANS DAY!

Veterans' Day is a national holiday honoring the veterans of all of America's wars. Veterans' Day is celebrated on November 11th each year and recalls the sacrifices of war and contributions to peace of our veterans. Armistice Day is the original name of this holiday because it commemorated the armistice that ended the fighting between Germany and the Allied powers in World War I. The end of World War I was ended at 11 a.m. on November 11, 1918.

A parade was held in Birmingham, Alabama to honor all American veterans at the end of World War II in 1947. Sometime after a bill was passed to change the name Armistice Day to Veteran's Day. President Dwight D. Eisenhower signed the bill into law in 1954.

All 50 states and the U.S. territories and possessions observe Veterans' Day. The national observance takes place at the Tomb of the Unknown Soldier at Arlington National Cemetery in Arlington, Virginia. This tomb contains the remains of soldiers from WWI, WWII, the Korean War, and the Vietnam War. This is a solemn service beginning at 11 a.m. with our U.S. President laying a wreath at the tomb. "Taps" are played by a bugler and veterans groups take part in a "Parade of Flags". Throughout the United States, cities and towns hold parades, flag ceremonies, and celebrations that honor our military.

Veterans' Day honors all of our veterans—the living and those that have died. Memorial Day, celebrated the last Monday in May, honors military personnel who have died in our American Wars.
