

STUDENT DRIVER REQUEST FORM 2013-2014

Student drivers are required to operate their automobile in a safe, mature, and responsible manner and to comply with the school and public traffic regulations. Failure to operate their automobile safely on or in the vicinity of the school grounds will result in suspension of driving privileges and may result in disciplinary actions. This rule is for the safety of our students and will be strictly enforced. All student drivers must cooperate with the school staff assigned to supervise the parking and student drop-off/pick-up areas.

DRIVING REGULATIONS

1. In order to guarantee a driving parking space, the student driver must arrive on campus no later than 7:35 a.m. and park their vehicles in an appropriate parking area.
2. Students not present by 7:45 a.m. will not receive an excused tardy if late to class.
3. Once parked, the vehicle may not be removed during the school day.
4. Once parked, the driver and passenger(s) must leave the vehicle and the parking area for the entire school day. Students are not to visit their cars during the school day unless given a pass from the Upper School office.
5. Students who choose to leave the campus without permission may forfeit their driving privilege.

Students must secure a parking pass from the Upper School office to park on campus. Parking pass costs \$50.00. Please return this signed form along with the driver's license and insurance card to the office (copies will be made of documents).
